

COMMUNITY FUNDRAISER TOOL KIT

Childhood Cancer Foundation

MAKING LIFE BETTER

for children with cancer

ASK stands for

Assistance, Support, and Kindness when our kids and their families need it most.

Our 2023–2024 overall goal is to raise \$2,400,000 for providing emotional, social and psychosocial support for childhood cancer patient and survivors. From the moment of diagnosis, throughout treatment and beyond, ASK is there.

Numbers behind the smiles

- 6–7 children are diagnosed with cancer every week in Virginia, equating to more than 350 children in active treatment across the state.
- 50% of all families with a child in treatment will experience severe financial hardship.
- 2/3 of all survivors will develop at least one late effect from the disease or treatment that make it harder to learn and thrive.

Programs that help

We know that a child's cancer diagnosis affects the entire family. That's why ASK's support extends beyond the child to include the parents, caregivers, and siblings. Including children and their family members, over 1,000 individuals are supported by ASK.

- Three staff positions: Child Life Therapist, Chaplain, and Child Psychologist at the ASK Pediatric Hematology/Oncology Clinic at VCU
- Financial assistance to cover expenses like mortgages, car payments, and gas money for families in treatment
- After-school and online tutoring and summer camps for patients and survivors
- Advocacy efforts to raise awareness
- Social events for kids and families like trips to the zoo, bowling, and an annual holiday party
- Support groups for active patients and our bereaved families

GIVE A HAND: HELP MAKE LIFE BETTER FOR CHILDREN WITH CANCER

Thank you for your interest in supporting ASK Childhood Cancer Foundation. There is a huge need for support services right here in our community for children with cancer or a serious blood disorder, survivors, and their families, and ASK is able to give them a hand thanks to you! Because of your help, we can be there to provide financial assistance, educational programs, and emotional support when these families need it most.

Please use this toolkit as a guide to help you plan a fundraising event in your community. There are many tips, tools, and templates to help you succeed; and you can reach out to an ASK staff member for assistance at any time!

We are so grateful to you and your team for supporting our mission, and going above & beyond to host a community fundraiser. Every dollar raised stays local and makes a difference!

THIS TOOL KIT WILL HELP YOU:

- Get ideas and know what to expect when hosting an event
- Share your personal commitment in the fight to support children with cancer and blood disorders
- Promote ASK Childhood Cancer Foundation through awareness and fundraising activities

GETTING STARTED

8 STEPS FOR A SUCCESSFUL FUNDRAISER:

1

GATHER SUPPORT

Get your family, friends, coworkers, and neighbors involved. As a team, identify talent and skills that can help your fundraising efforts. And don't forget, we can help! Email ASK Associate Director of Development, Megan Angstadt, at mangstadt@askccf.org for assistance.

2

SET YOUR FUNDRAISING GOAL

It costs approximately \$100 to give one family a grocery gift card, \$500 to help pay a utility bill one month, and \$1,000 to provide psycho-social support for one day in clinic. How many ways can your fundraiser make an impact?

3

DECIDE HOW YOU ARE GOING TO RAISE FUNDS

Use your personal skills and creativity to come up with the idea that works best for you and your supporters. Like to get outside and be active? Host a walk-a-thon or bike ride. Like to cook? Have a bake sale. Check out our fundraising ideas (pages 6-8) for other options!

4

CREATE A PLAN

Set a date for your fundraiser and create a detailed list of tasks and a timeline. Include a budget and list of materials needed. Identify how you will promote your event, and assign tasks with due dates to your support team.

5

SPREAD THE WORD

Send invites to your contact list through email, or get creative with free online tools like Evite, Paperless Post or Punchbowl. Take advantage of social media and share what you are doing to get others excited. View our social media tips (page 10). Place flyers and posters around your community. View our templates (page 13) to help showcase your event.

6

DOUBLE YOUR DONATIONS

Reach out to a local business or others who may want to sponsor your fundraising efforts or match your contributions to double the impact. Someone's employer may have a matching gift program. Usually a paper or online form needs to be completed; check with the company's HR department. You can designate ASK Childhood Cancer Foundation for matching gifts!

7

SHARE YOUR SUCCESS

Thank each of your contributors, volunteers, and sponsors. Send photos and the story of your fundraiser with ASK so we can highlight you on our social media!

Share your results on social media to let your supporters and your friends know the impact they have made.

8

SUBMIT YOUR CONTRIBUTIONS TO ASK

Submit your donation! Checks can be made payable to ASK Childhood Cancer Foundation.

Mail to:
ASK Childhood Cancer Foundation
5211 W. Broad Street, Suite 100
Richmond, VA 23230

Thank you acknowledgements from ASK will be sent once we receive donations. Make sure to follow our brand guidelines (page 15) so you and your contributors can receive proper acknowledgements and tax receipts.

Please contact Megan Angstadt at mangstadt@askccf.org if you would like to submit donations online or in-person.

FUNDRAISING IDEAS

FOR ANYONE AND EVERYONE

CELEBRATE

Your birthday, anniversary, or special date by requesting donations to ASK in lieu of gifts. Facebook fundraisers are an easy way to do this!

YARD OR BAKE SALE

Encourage everyone to bake their favorite treat to sell. Or do some spring cleaning to set up a neighborhood-wide yard sale!

BENEFIT CONCERT OR SHOW

Do you know a venue that would donate their space? Or a local band or entertainment act that would offer their time to put on a show and donate the proceeds?

VIRTUAL GET TOGETHER

Host a virtual happy hour or game night and ask attendees to make a donation in the amount that they would typically pay for a night out!

PICK A NUMBER BOARD

Create a large board (or make it digital) with numbers on it. Promote it for friends, family, coworkers to "Pick a Number" and donate that amount. Once they pick a number, that number is taken off the board (or X'ed out). For example, if you put numbers 1-50, no person would have to give more than \$50; and if each number is taken it would raise over \$1,200!

SILENT AUCTION OR RAFFLE

Obtain donated items from local businesses or artisans and auction them off to the highest bidder. Or put them together in a gift basket to raffle off. This is a great option to do virtually over social media!

RVA PLAY DAY

The Greater Richmond area has many activity venues including bowling alleys, golf venues, sporting events and trampoline parks. See if any of them have fundraising programs where you can host a day of play or game night to give back!

GIVE BACK NIGHT

Host a fundraising event with a local restaurant, brewery/winery or business for a spirit night where they donate back a portion of their proceeds. Some examples include Thirty-One Things, Lula Roe, Stella & Dot, Sweet Frog, Jason's Deli, Chick-fil-A, Blaze Pizza, & Chipotle. Who do you know that works at a restaurant, bar or brewery? Where do you like to eat? Ask them! Visit www.groupraise.com for other examples.

PARTICIPATE IN AN ASK EVENT

The annual ASK 5K & Fun Walk is an inspiring, cancer-fighting day to support and create memories with many ASK kids and families. Participate as an individual, join a team or create your own team. Visit www.askwalk.org to get started!

FUNDRAISING IDEAS

FOR SCHOOLS

GIVE A HAND-A-THON

Have a "marathon" of a fun activity like walking, running, biking, bowling, online video games, or dancing. Participants can request pledges based on their distance or time. This can be done virtually or in-person. Partner with a local gym or sports group to host it and have refreshments and entertainment to keep participants going for a long period of time. Promote fun and fitness for a great cause!

GIVE IT UP

Encourage fellow students and teachers to give up a daily luxury for a certain amount of time and collect pledges if they can do it. For example - give up soda or coffee once a week for a month, and give \$5 for each week they can do it!

SPIRIT WEEK

Students, teachers, and faculty can pay to participate in different theme days like wacky hair day or school colors day!

STUDENT VS. TEACHER GAMES

School teams can host a game against the teachers/staff where people can pay to come watch. Or host a school-wide tournament or field day where students pay to be on a team and compete.

PRINCIPAL CHALLENGE

Get your principal on board to complete a challenge (e.g. dye their hair a fun color) if the fundraising goal is met. Students can either vote for their favorite idea by donating or simply donate to reach a fundraising goal as soon as possible.

PENNY WARS

Set up loose change jars for each classroom to see who can collect the most pennies. Students/teachers can put nickels, dimes, quarters, or dollars in another classroom's jar and that amount gets "deducted" from their total. The winning classroom could get a pizza party or fun prize for a competitive way to raise more funds!

JELLYBEAN COUNT

Put a jar of jellybeans in your school hallway. Have a student put a dollar or two to guess how many jellybeans are in the jar. At the end of the week of guessing announce the winner- the person who guesses the number closest to the number of actual jellybeans is the winner and gets to keep the jar or win another prize!

SCHOOL-WIDE YARD SALE

Host a school-wide event. Ask students and their families, faculty, and staff to donate their gently used items for the sale. The key to a successful sale event is promotion, so promote it like there's no tomorrow!

FUNDRAISING IDEAS

FOR BUSINESSES

BROWN BAG LUNCH

Ask colleagues to bring their lunch and have an ASK staff representative join as a speaker. Collect donations similar to what they would typically pay for lunch and brainstorm other ways to raise money together.

MATCHING GIFT PROGRAM

Work with your company to match employee donations and then encourage your coworkers to give during a certain period of time to double their donation!

SPONSOR AN ASK EVENT

Businesses can sponsor one of our ASK Events in exchange for advertising and marketing opportunities on our event flyers and social media.

BOSS FOR THE DAY

Everyone can fundraise for this one, and at the end the top fundraiser earns "boss for the day" duties, while the boss takes over a few of the employee's tasks in exchange.

LET'S HEAR YOUR IDEAS!

Use these ideas as a jumping off point and get creative! We are always looking for new, successful and fun ideas, so if you have a good one, we would love to hear it and help however we can. And if you raise funds on behalf of ASK, please be sure to share your story and photos!

FUNDRAISER STORIES

LEMONADE STAND

The Oliff Family as ASK Ambassadors set up a table at the West End Farmers Market and sold lemonade to collect donations for ASK. They made it fun and added some giveaways and gave out information about ASK raising a total of \$600!

TOY COLLECTION

Why not have your whole neighborhood come together? The Crossridge neighborhood got together and collected toys, money, and gift cards for our ASK kids and family! They did all of this just in time for the holidays.

CORNHOLE TOURNAMENT

Employees of SingleStone held a community-wide cornhole tournament that raised over \$10,000. The event featured food and drink, music, and prizes to the winning team. They even created a set of ASK custom cornhole boards!

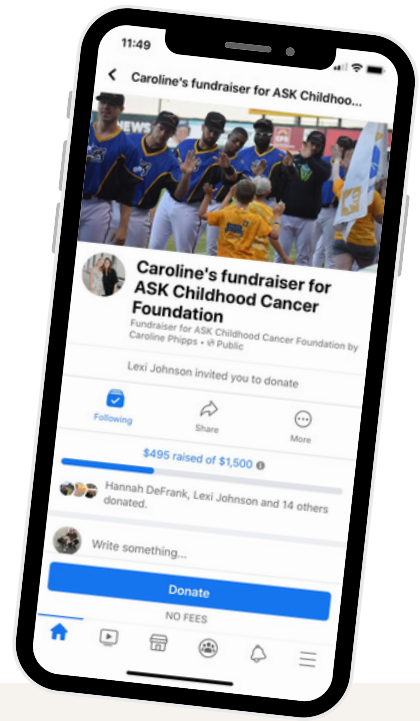

STUDENT VS. TEACHER GAME

Members of the Prince George High School DECA Club and basketball team organized a student vs. faculty game and sold tickets to attend. They also collected donations for students to pie their favorite teachers during halftime and collected holiday gifts to donate!

SOCIAL MEDIA TIPS

First, send out emails to your contact list encouraging them to join your efforts and contribute! *Hint* send multiple emails... oftentimes people want to give, but lose the email or forget, so a reminder email is a great thing!

Then, promote your event through social media. Include pictures and share your personal story explaining WHY you are passionate about raising funds for ASK!
