Reminders:

- Copy/save media images from Virtual Advocacy Day website at vachildhoodcancer.org. We've placed them below so you'll know what to look for on the website.
- Tag legislators who are listed in the Legislator Directory found in the toolkit online at vachildhoodcancer.org.
- Write your own post, sharing your own stories, quotes, or facts. Please use #vachildhoodcancer when posting.
- **Remember to make your posts public so that others can share and spread the word!**

Twitter:

\$0 dollars for VA kids with cancer is not okay. Our children deserve better treatment outcomes and survival rates. #vachildhoodcancer

0% of Virginia's cancer funding in the state budget is dedicated to children with cancer. They deserve better! #vachildhoodcancer

Over 700 kids are on active treatment in VA. \$0 dollars are designated to help them. Make childhood cancer a priority! #vachildhoodcancer

Each year, 700 children in Virginia face grueling chemotherapies that were developed decades ago. \$0 state dollars are designated to improve outcomes. #vachildhoodcancer

Beating cancer isn't always the end of the fight. 2/3 of all childhood cancer survivors will develop at least one late effect from the disease or treatment. #vachildhoodcancer

Facebook & Instagram:

Use a Twitter post above along with your personal story to share on Facebook and/or Instagram.

More than 700
children are currently on active treatment for cancer in Virginia. They need your voice to help build a brighter future!
