

# VIRGINIA'S EMERGENCY CONTACT PROGRAM

If you have a DMV ID card you can designate two adults as your emergency contacts. This gives law enforcement a way to notify your family or friends in the event you are involved in an emergency. The information you provide is only accessible by DMV and law enforcement.

## **How to designate your emergency contact(s):**

Go to: **DMVNOW.ORG** or <https://www.dmv.virginia.gov>

On top blue banner click on tab for ***Online Services***

Under the heading ***MyDMV Account***:

Click on tab for ***Create Account*** (unless you already have an online DMV account)

Click on tab for ***Emergency Contact Information***

Follow the on screen instructions to enter name, address and telephone numbers for your contact.
