

## Fundraising Ideas to Help Make Life Better for Children with Cancer

**Host a fundraising party or spirit night.** Many restaurants are willing to hold giveback nights with a portion of the proceeds donated back to the cause. Some examples include Thirty-One Things, Lula Roe, Stella & Dot, Sweet Frog, Jason's Deli, Chick-fil-A, Blaze Pizza, Chipotle, CAVA. Who do you know that works at a restaurant/bar/brewery? Where do you like to eat? Ask them! You can also set-up giveback nights online at: <https://www.groupraise.com/>

**Share your special day.** Set-up a facebook fundraiser or ask your friends to donate to ASK instead of purchasing a gift for your birthday, anniversary or holiday.

**Promote matching gifts.** Use this link and share with your team to see what employers match: <https://doublethedonation.com/ask>

**Get cleaning.** Host a yard sale or take clothes to stores that give cash in exchange for items (Ashby, Clothes Mentor, Plato's Closet, Buffalo Exchange, Uptown Cheapskate) and donate proceeds to ASK.

**Penny Wars.** Have children or a niece/nephew whose school or daycare might get involved? They could participate in penny wars. Classrooms compete to see who can bring in the most pennies - but put nickels, dimes, quarters or dollars in the other classroom's jar and it is negative points for them! Offer treats or a prize for the winning classroom and feel good knowing all of the penny game fun is helping kids with cancer.

**Pick A Number.** Create a large board (or whatever else you decide to use, could be digital!) with numbers 1-55 on it. The idea is that friends and family can "Pick a Number" to donate that amount. Once they pick a number, that number is taken off the board (or X'ed out). This board could be set up at school, church, work, etc. And, the best part - if all 55 numbers are taken, you'll raise \$1,540! That would be a huge help in paying the mortgage for a family who has lost income taking care of their child in treatment.
